## 6" Ultra Care Maximum II Mattress

A Better Quality Mattress, More Durable,  
More Sanitary - For a Better Price

### More Durable, More Sanitary

Sureseal HD Mattresses are designed for greater comfort by using better pressure reducing materials. Maintenance becomes easier and cleaning becomes much faster. Ultracare mattresses accommodate patients up to 300 lbs. and are Latex free.

### Features

#### Zoned – 4 Section:

With a solid top layer, base layer and firm perimeter rails of all HD Polyurethane.

#### Anti-Microbial:

All components are anti-microbial and assist in prohibiting growth of bacteria and fungi.

#### Non-Allergenic:

The entire foam core is constructed from 100% non-recycled, non-allergenic, HD Polyurethane.

#### Flammability:

Meets Cal. TB 121. For use in high risk occupancies

#### Mattress Cover:

4-way Stretch Urethane that is soft, stretchable, and resistant to cold cracking and staining and bed spores. Will not allow fluids to pass through and can be easily cleaned with standard hospital cleaning products. Reduces skin irritation.
